TOGETHER WE CAN MAKE ROADS SAFE
ROAD SAFETY IS NO ACCIDENT

www.yubs.rs

INVITATION

We are pleased to invite you to participate at the **XIV International Symposium**

“ROAD ACCIDENTS PREVENTION 2018”

which will be held within the [Traffic Solution Expo](#) at the [Congress Center "Master Novi Sad Fair"](#) in Novi Sad, Serbia.

on 17th and 18th October 2018.

The Symposium is organized by:

- Faculty of Technical Sciences, University of Novi Sad
- Faculty of Traffic and Transport Engineering, University of Belgrade
- Academy of Criminalistic and Police Studies, Zemun
- Republic of Serbia, Road Traffic Safety Agency
- Serbian Road Safety Association.

BACKGROUND AND SCOPE

Road safety is the concern of all us. Road safety improvement could be successfully achieved only if all interested stakeholders, organizations and individuals tackle the issue simultaneously with the maximum efforts. This Symposium is a fourteenth a series of road safety symposiums starting in 1990. The main objective of the Symposium is to achieve more efficient road risk and road safety resources management. To achieve this target it is necessary to focus on the following:

- **Detail analysis and evaluation of** actual problems, trends, accident's etiology and phenomenology, experience, knowledge, emerging research and developments in road safety.
- **According to the given knowledge and experience, development of the appropriate road safety strategy and accident prevention system.**

THEMES AND TOPICS

1. ROAD SAFETY MANAGEMENT
2. SAFER ROAD USERS
3. SAFER ROADS AND MOBILITY
4. SAFER VEHICLES
5. POST-CRASH RESPONSE
